Year of planting *2009*
N° of bottles *15,000*

Aged in French oak barrels,

225L for 12 months.

The nose presents aromas of ripe red and black fruit with a note of graphite that adds to complexity. The palate shows a complex wine with very good volume, with flavors of fruit like those shown on the nose. The wine is elegant, with smooth, juicy tannins, nice balance, and a long, pleasant finish.

D.O. Maule,
Nirivilo
